#### INDUSTRY FOCUS

Jacobson's consultants know the requirements and demands of the insurance industry inside and out and deliver talent with the product line and functional expertise required for success.

#### CANDIDATE QUALITY

Jacobson finds the most qualified candidates by leveraging industry knowledge and an extensive network of insurance professionals.

#### CENTRALIZED RECRUITING

Job requisitions are distributed across a large team of recruiters, ensuring thorough and consistent candidate sourcing, screening and testing.

#### TALENT ON DEMAND

An efficient selection process often results in search completion within one or two days.

#### COMPREHENSIVE PRESENCE

A centralized approach to recruiting allows support of most metropolitan areas on a local level.

Insurance Talent

# JACOBSON
