

# Long-Standing Talent Partnership

**Client Type:** Life Insurance Organization    **Talent Partnership Relationship:** 10+ Years

- More than 10 years ago, a growing life and annuity organization reached out to The Jacobson Group with a temporary staffing need for actuarial support. Jacobson was able to quickly provide **three subject matter experts with the actuarial expertise and hands-on knowledge** for their specific needs –and **the foundation for a long-standing talent partnership was built.**
- Throughout the years, our client evolved and expanded; and Jacobson was there to assist with their fluctuating staffing needs. **Our client came to rely on our temporary support and recognized our integrity and commitment to their success, earning their trust and continued partnership.** In fact, when our client had a sensitive need for direct hires, they turned to Jacobson to engage our resources beyond temporary staffing, creating a wholistic talent partnership. Exclusively dedicated to the insurance industry since 1971, **Jacobson offers unparalleled expertise, an extensive network and a long-standing history of successfully recruiting top talent** to fill a variety of talent needs from the board room to the back room.
- Leveraging our executive search and professional recruiting services, **we have successfully completed multiple engagements for the client, placing the talent needed to support their continued growth.** In addition, Jacobson was selected for the client's preferred supplier program for temporary staff across all functions.
- Offering a multi-tiered talent solution, Jacobson continues to serve as a flexible, trustworthy asset to our client as they continue their impressive trajectory. **Jacobson is committed to building upon our already long-standing relationship and remaining dedicated to our client's success through the provision of talent.**
